NOTE:*

Detroit fans would love to see Dory,Jr. & Terry Funk run out of their area, by the likes of Dick The Bruiser and The Sheik.
Those unpredictable brothers from Texas are in for some hard times from two of the World's most wildest wrestlers. We think after these two teams clash, the Funks will decide to stay in Texas. . . but, remember,the Funk brothers were always a team.
As for Dick The Bruiser and The Sheik let us see what they can do for the time being.
We think these two teams will feud for sometime to come.

NOTE:*

On November 11, 1978 we went to see Sly Stallone's movie "PARADISE ALLEY" which Terry Funk had an acting part in it. It was a very good movie and Terry Funk had a very good acting part in it. The wrestling scenes were very brief and that was a great disappointment.

Stallone has matured into a very powerful star in his own right.

The credits listed; Dory Funk,Jr., Lawman Slatton, Ted DiBiase, Dick Murdock, and a host of other stars. We wish these scenes with these wrestlers were shown at a normal pace, which they were not. It was very fast, other then that it was a fairly good movie.
